Dashboard

As you submit Treatments to the Align Global Gallery, more information will appear on your Dashboard.

Click the Add New Treatment button to begin a submission.

The screenshot shows the Align dashboard interface. On the left is a dark blue sidebar with the 'align' logo at the top and a 'MAIN' section containing a 'Dashboard' link with a home icon. The main content area has a top navigation bar with a home icon, a notification bell with a '0' badge, and a user profile for 'Christian Test' (Submitting Doctor). A green callout bubble points to the home icon with the text 'You can always click here to return to your Dashboard.' Below the navigation bar is a welcome message: 'Welcome back, Christian Test!'. On the right side of the main area, there is a purple button labeled 'Add New Treatment' enclosed in a green box, with a green callout bubble pointing to it that says 'Click here to begin a new submission to the Gallery'. The main content area is divided into two columns. The left column is titled 'My Profile' and features a profile picture placeholder, the name 'Christian Test', and an 'Edit Profile' button. The right column is a purple box titled 'IPE Treatment Submission Guide' with a 'Download the Guide' button and a paragraph of text: 'Download the **Guide** to help you learn the process of adding a new treatment into the new Align Global Gallery.' At the bottom of the main content area is a white box with the heading 'You're all caught up! 😊' and a paragraph: 'This dashboard is where you will see your submitted treatments or things needing your attention. Want to load your dashboard up? **Submit an IPE treatment for review** today!'. The footer of the page contains the copyright notice: '© Align Technology 2024. All rights reserved.'

Treatment Submission

To begin a treatment submission, click on an available purple button or utilize the dropdown menu of Treatment Options.

The screenshot shows the 'align' web application interface. The top navigation bar includes a home icon, a notification bell, and the user profile for 'Christian Test, Submitting Doctor'. The main content area is titled 'Patient Treatment' and 'Submission Process: Begin Treatment'. A sidebar on the left lists navigation options: 'Patient Information', 'Legal Documents', 'Treatment Information' (highlighted), and 'Status'. The main content area is titled 'Treatment Information' and 'Add a treatment'. Below this, it says 'Choose one of the available treatments below.' There are three categories of treatment options, each with a purple button: 'Invisalign Comprehensive' (under 'Invisalign'), 'Invisalign Palatal Expander' (under 'IPE'), and 'iTero Restorative' (under 'iTero'). A dropdown menu on the right, titled 'Add Treatment Option', lists the same three options. A green box highlights the buttons for 'Invisalign Comprehensive', 'Invisalign Palatal Expander', and 'iTero Restorative'. A green arrow points from the text 'Either option' to the 'Invisalign Comprehensive' button, and another green arrow points from the text 'Either option' to the 'Add Treatment Option' dropdown menu.

Patient Information

Enter all required Patient Information for this treatment.

Click the Save button before proceeding.

Advanced to the Legal Documents section.

The screenshot shows the 'align' web application interface. On the left is a dark blue sidebar with the 'align' logo and a 'MAIN' menu containing 'Dashboard'. The main content area is titled 'Patient Treatment' and 'Submission Process: Patient Info'. A sidebar menu on the left lists 'Patient Information', 'Legal Documents', 'Treatment Information', and 'Status'. A green arrow points from the text '3. Move to Legal Documents' to the 'Legal Documents' menu item. The 'Patient Information' section shows the treating doctor as 'Christian Test NA | USA'. A green box highlights the form fields: 'Age Group' (dropdown), 'Invisalign Patient ID Number (PID)' (text), 'Gender' (radio buttons for Male and Female), 'Patient Birth Date' (text), and 'Initials' (text). Below the form is a 'Patient Profile Image' placeholder showing a set of teeth. A green box highlights the 'Save' button at the bottom right, with the text '2. Click Save' next to it. The footer contains the copyright notice: '© Align Technology 2024. All rights reserved.'

Legal Documents

Upload PDF versions of Patient and Doctor Consent Releases from your computer.

Click the Save button before proceeding.

Advance to the Treatment Information section.

The screenshot shows the 'align' web application interface. At the top left, the 'align' logo is displayed. The top right corner features a 'Home' button, a notification bell with a '0' indicator, and a user profile for 'Christian Test, Submitting Doctor'. The main navigation sidebar on the left includes 'MAIN' and 'Dashboard'. The 'Patient Treatment' section is active, with sub-menu items: 'Patient Information', 'Legal Documents' (highlighted in purple), 'Treatment Information', and 'Status'. A green arrow points from the text '3. Move to Treatment Info' to the 'Treatment Information' menu item. The main content area is titled 'Submission Process: Patient Consent' and contains a 'Legal Documents' section. This section is titled '1. Upload required legal consent forms' and includes two document upload cards: 'Patient Consent and Release' and 'Doctor Consent and Release'. Each card has a 'PDF' icon, a 'DOWNLOAD' button, and a 'Browse...' button with the text 'No file selected.'. A 'Save' button is located at the bottom right of the document upload area, with the instruction '2. Click Save' next to it. The footer of the page reads '© Align Technology 2024. All rights reserved.'

Treatment Information

Add all required and any additional information regarding this treatment. Upload images, select indications, modalities, expanders, etc.

Click the Save button before proceeding.

The screenshot shows the 'Submission Process: Treatment Info' page in the Invisalign software. The page is titled 'Patient Treatment' and 'Submission Process: Treatment Info'. It features a sidebar with navigation options: Patient Information, Legal Documents, Treatment Information (selected), and Status. The main content area is titled 'Treatment Information' and includes a section for 'Invisalign Palatal Expander'. Below this, there is a large heading 'Upload Treatment Information for this Patient' with a sub-heading 'You are able to tie multiple treatments to a unique PID but you must do them one at a time.' The form contains several sections: 'Patient Chief Concern', 'Where any other treatment options used?', 'Clinical Indications' (with a 'Select' button and 'Clinical Indications Comments' field), 'Treatment modalities used' (with a 'Select' button and 'Treatment Modalities Comments' field), 'Palatal Expanders' (with a table for 'Number of Expanders', 'Planned Expansion (mm)', and 'Expander Change Frequency (in days)' for 'Initial' and 'Additional' treatments), 'Palatal Holders' (with a table for 'Number of Holders', 'Holder Protocol (duration in weeks)', and 'Holder Change Frequency (in weeks)' for 'Initial' and 'Additional' treatments), 'Initial Images' (with tabs for 'Profile', 'Progress Images', 'Final Images', 'Post Images', 'Radiographs', and 'CBCT Images'), 'Treatment Submission Process' (with a 'Select' button and 'Treatment Submission Process Comments' field), 'Results Achieved', and 'Additional Notes'. A 'Save' button is located at the bottom right, with a reminder 'Always remember to Save your progress'. The footer includes the Invisalign and iTero logos and the text '© Align Technology 2024. All rights reserved.'

Option Selections

Several times you will see pop-up windows allowing you to choose detailed information about the treatment.

Click the Save button before proceeding.

The screenshot displays the Invisalign iTero software interface. A dark blue sidebar on the left contains the 'align' logo and a 'MAIN' menu with a 'Dashboard' option. A white pop-up window titled 'Select Clinical Indications' is centered on the screen, featuring a close button (X) in the top right corner. Inside the pop-up, there are five checkboxes: 'Asymmetric arches', 'Crossbite', 'Crowding', 'Narrow arches', and 'Smile width (narrow arches)'. Below the checkboxes, the text 'Submission Process: Treatment Selections' is displayed in green. To the right of this text are three buttons: 'Check All' (blue), 'Close' (grey), and 'Save' (purple). The background interface is dimmed and shows sections for 'Treatment modalities used' with a 'Select' button, 'Treatment Modalities Comments' with a text area, 'Palatal Expanders' with a table of input fields, and 'Palatal Holders' with input fields. At the bottom, there are tabs for 'Initial Images', 'Progress Images', 'Final Images', 'Post Images', 'Radiographs', and 'CBCT Images', along with a 'Save' button in the bottom right corner.

	Number of Expanders	Planned Expansion (mm)	Expansion Protocol (duration in days)	Expander Change Frequency
Initial	0	0	0	0
Additional	0	0		

	Number of Holders	Holder Protocol (duration in weeks)	Holder Change Frequency
	0	0	0

Image Upload

As you select images to upload from your computer, you will be given the ability to crop and resize your photos.

Click the Save button before proceeding.

Submission Process: Image Upload

Required Information

As you go through the process of selecting and entering all of the treatment information, we give you a check-list of completed and incomplete fields that are required for submission.

You will be unable to submit this treatment for review until all checkmarks are green.

The screenshot displays the 'Submission Process: Treatment Info' for an 'Invisalign Palatal Expander'. A central box titled 'Submit treatment for review' contains a checklist of required information. The checklist items are:

- ✓ Doctor Information
- ✗ Patient Consent and Release
- ✓ Patient Age
- ✗ Clinical indications
- ✓ Patient Information
- ✗ Doctor Consent and Release
- ✓ Length of treatment
- ✗ Required images

A green callout box on the right side of the checklist states: "All the required information before submitting for consideration." Below the checklist, there are input fields for 'Start Date' (July 2, 2019), 'End Date' (July 31, 2024), 'Patient age' (9 at start of treatment), and 'Length of treatment' (61 in months). A 'Submit Treatment' button is visible in the top right corner of the checklist box.

Submit for Review

Once you have uploaded and completed all of the required fields for submission, the Submit Treatment button will be available to select.

Once a treatment has been submitted for review, no changes will be able to be made after that point. Please make sure all of your treatment and patient information is correct before submitting.

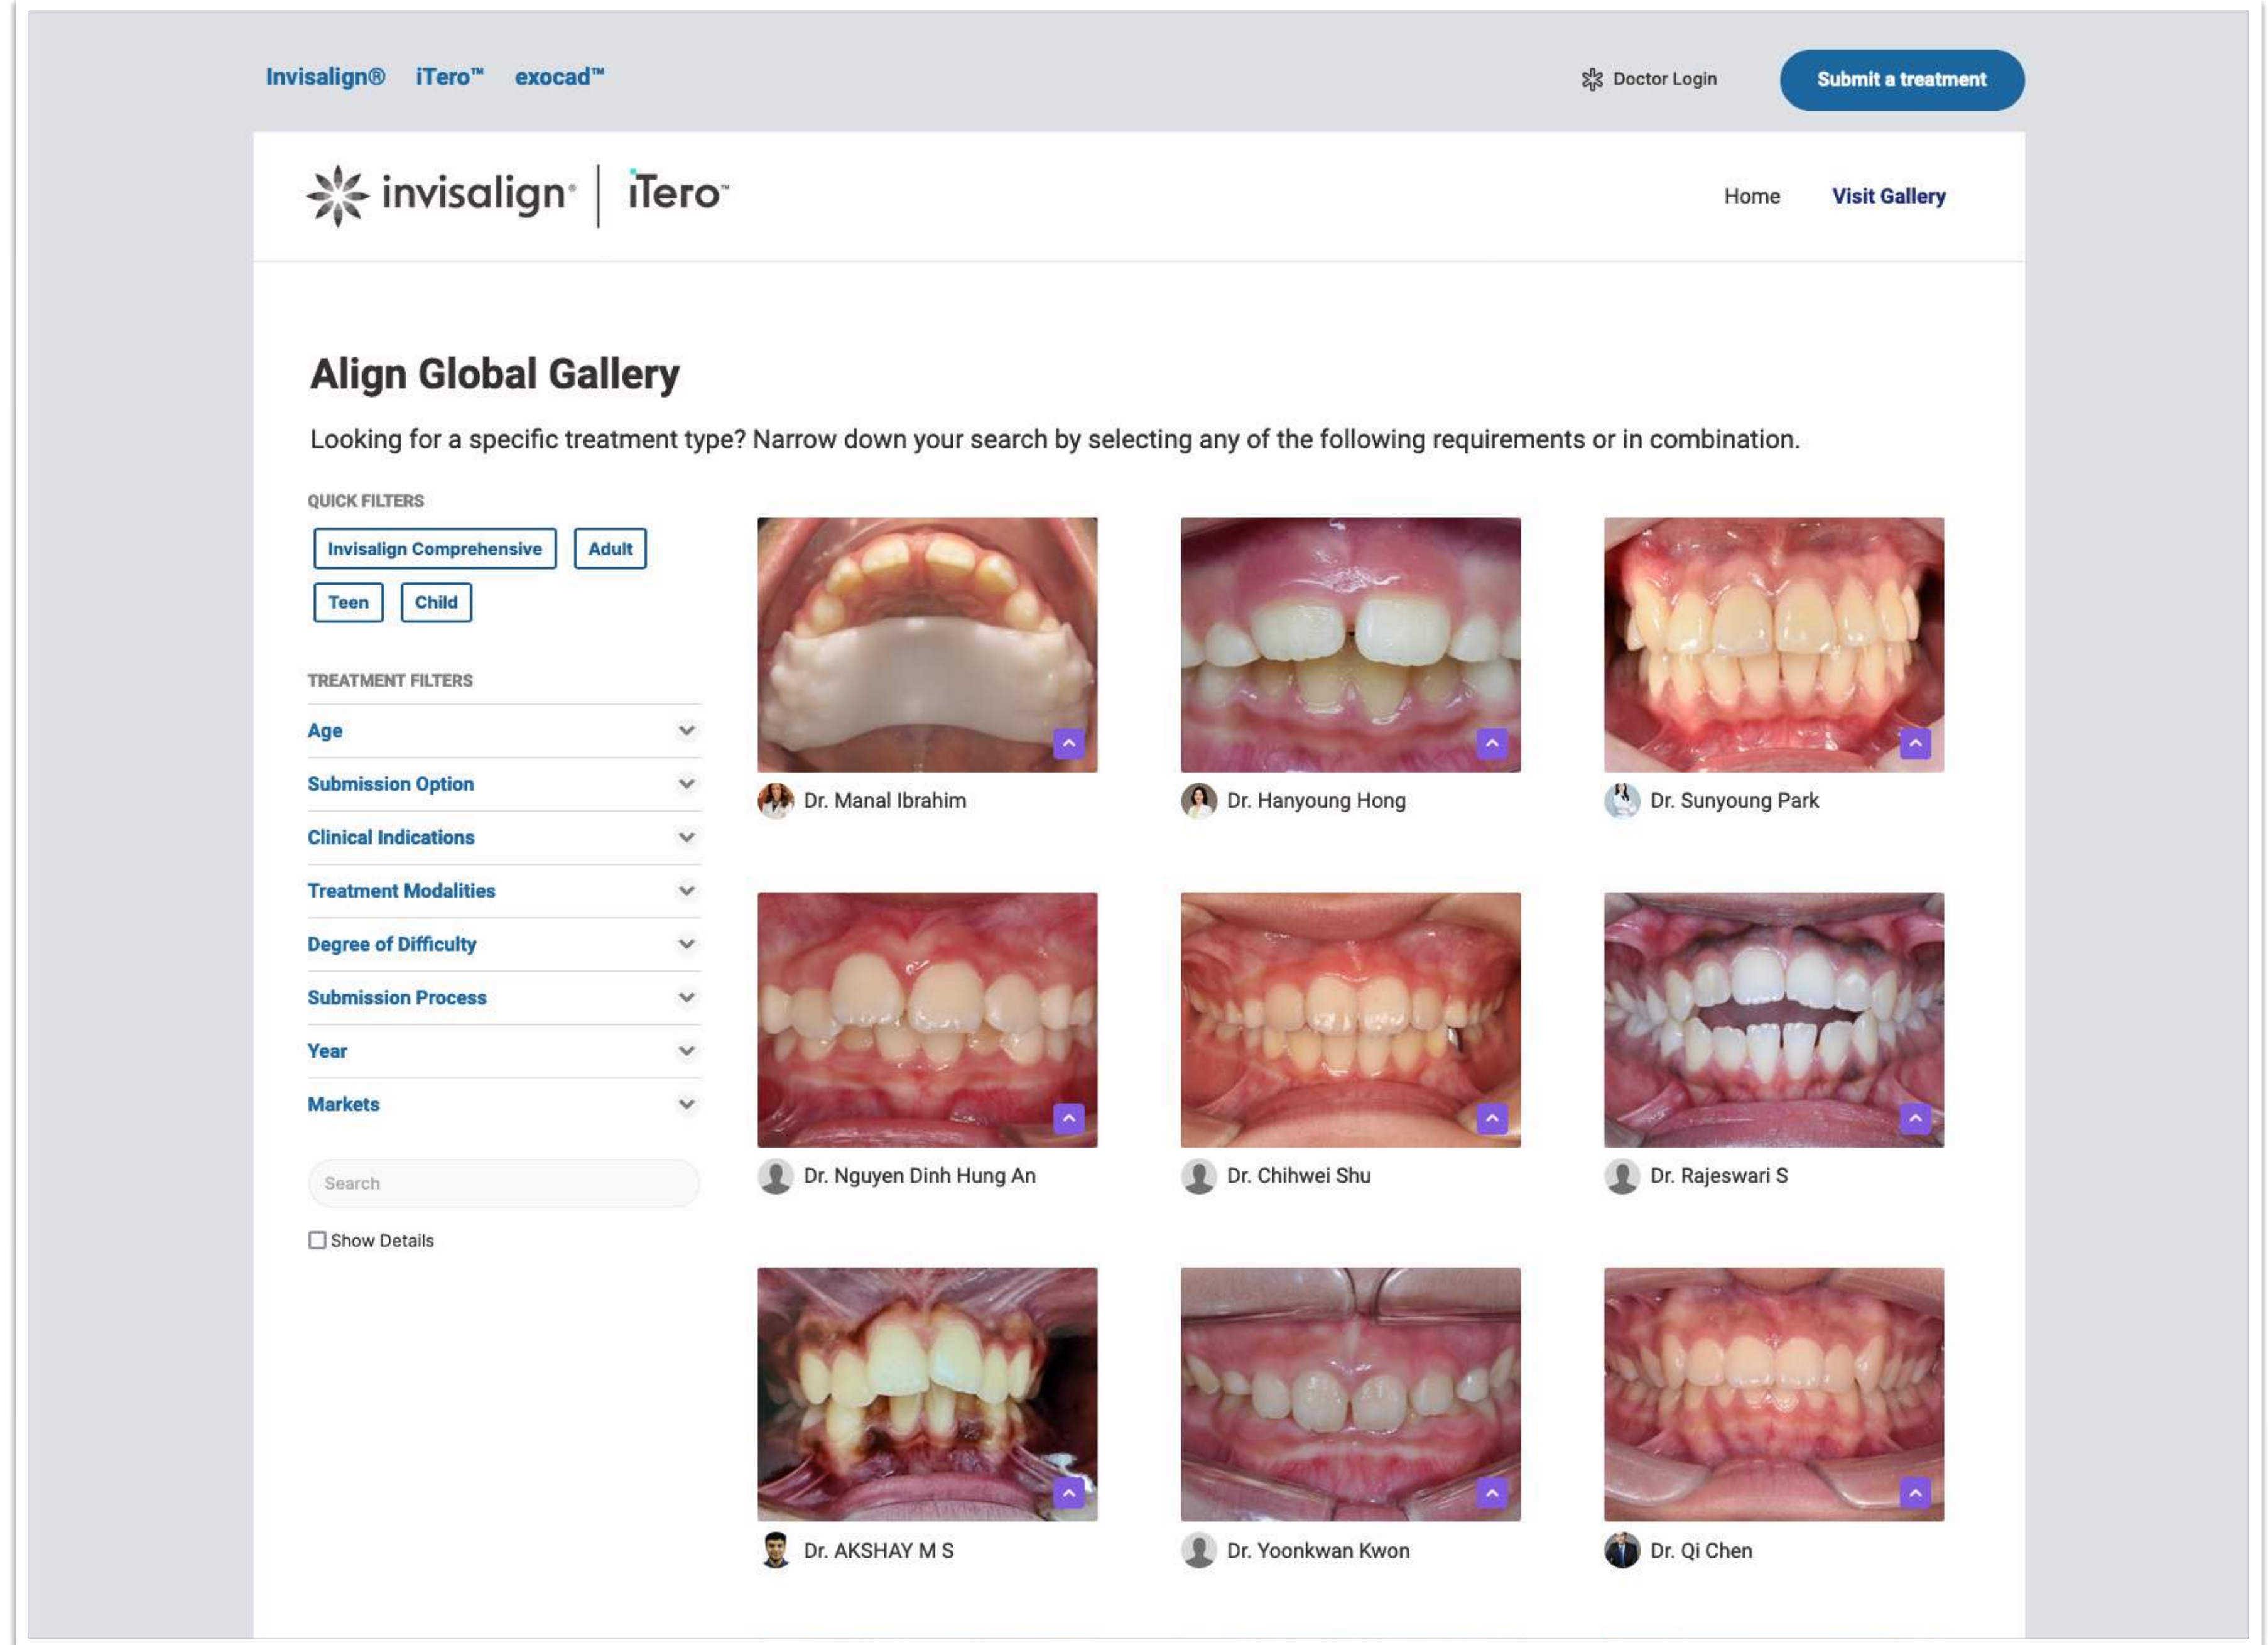

The screenshot shows the 'align' software interface for a 'Patient Treatment' submission. The main heading is 'Submission Process: Submit for Review'. The left sidebar contains navigation options: 'Patient Information', 'Legal Documents', 'Treatment Information' (highlighted), and 'Status'. The main content area is titled 'Treatment Information' and features a 'Submit Treatment for review' section. This section contains two columns of checked items: 'Doctor Information', 'Patient Consent and Release', 'Patient Age', and 'Clinical indications' in the first column; and 'Patient Information', 'Doctor Consent and Release', 'Length of treatment', and 'Required images' in the second column. A purple 'Submit Treatment' button is highlighted with a green box and an arrow. Below this, there are input fields for 'Start Date' (July 2, 2019) and 'End Date' (July 31, 2024). Further down are dropdown menus for 'Patient age' (9) and 'Length of treatment' (61). At the bottom, there are empty input fields for 'Initial Scan code or ID', 'Final Scan code or ID', and 'Patient Chief Concern'. A 'Save' button is located in the bottom right corner. A green callout box with an arrow points to the 'Submit Treatment' button, containing the text: 'When required fields completed, you should be able to submit your treatment for review here'.

Published Treatments

You will be notified via email as your treatment is going through the review process. If a reviewer needs more information, they will request it and give you the ability to respond or complete.

Once the treatment is approved and published, it will then be live in the Align Global Gallery.

For questions or concerns, please email:
Barbara Grishaver
bgrishaver@aligntech.com

The screenshot shows the Align Global Gallery website. At the top, there are logos for Invisalign®, iTero™, and exocad™. On the right, there is a 'Doctor Login' link and a 'Submit a treatment' button. Below the logos, there are links for 'Home' and 'Visit Gallery'. The main heading is 'Align Global Gallery'. Below this, there is a search instruction: 'Looking for a specific treatment type? Narrow down your search by selecting any of the following requirements or in combination.' There are two filter sections: 'QUICK FILTERS' with buttons for 'Invisalign Comprehensive', 'Adult', 'Teen', and 'Child'; and 'TREATMENT FILTERS' with dropdown menus for 'Age', 'Submission Option', 'Clinical Indications', 'Treatment Modalities', 'Degree of Difficulty', 'Submission Process', 'Year', and 'Markets'. A search bar and a 'Show Details' checkbox are also present. The gallery displays nine dental treatment photos in a 3x3 grid, each with a small purple arrow icon in the bottom right corner. Below each photo is the name of the dentist: Dr. Manal Ibrahim, Dr. Hanyoung Hong, Dr. Sunyoung Park, Dr. Nguyen Dinh Hung An, Dr. Chihwei Shu, Dr. Rajeswari S, Dr. AKSHAY M S, Dr. Yoonkwan Kwon, and Dr. Qi Chen.
